

Hello Fellow Local 265 Retirees

Last Month we lost one of our more colorful members Louie Ruffatti. I never heard anyone speak a harsh word about him. He was always a pleasure to work with or just to sit and talk with. He will be missed by all who knew him.

We also recently lost Denny Darnel. Denny started his Sheet Metal journey in old Local 220 then transferred to Local 50 then retired from Local 265. You will be missed by us all.

It is with the deepest sympathy from your fellow retirees to our good friend Art Delorenzo on the loss of his lovely wife Mitzi. Words cannot express our sadness.

Our next lunch meeting will be at Al's Steak House on June 20th. Hope to see you all there.

Just one giant Happy Birthday will go out to our old friend Glen Volling so have a GREAT ONE.

See you all at AL's on June 20th at 11:30. See you there.

Yours truly

Alfie Rodriguez
