

Hello Fellow 265 Retirees

We are 7 months into, America's mistake. But now with each day the noose tightens.

As he stated his displeasure for being forced to sign off, on the sanctions imposed on Russia by Democrats and Republican alike. This man continues to show his distaste for the people of America. (Aging has slowed down, but it hasn't shut me up.)

The next Lunch meeting will be At AL's Steak House on Aug. 22 at 11:30, see you all there.

But first and foremost a GIANT HAPPY BIRTHDAY goes out to Dick (whistler) Wilson and our very own Art Delorenzo and a special Happy Birthday to Shirley Lynch, she and her husband Bob been with this group since day one.

So until the 22nd I'LL leave you with these words.

"Our labor union are not narrow, self-seeking groups. They have raised wages, shortened hours and provided supplemental benefits. Through collective bargaining and grievance procedures, they have brought justice and democracy to the job site. (Sept.5, 1960 John F Kennedy)

Yours Truly
