

Hello Fellow 265 Retirees

I'm going to make this letter short. It is every day you can turn the TV on or open any newspaper and see the corruption of this Federal Government.

It is every day the stripping of, workers' rights, civil rights, voters' rights, union rights. As you have seen with this last Illinois Supreme Court case against Unions in the state Illinois. And now with the ability of Trump to appoint another Supreme Court Justice. The country, your grandchildren will live in an America truly controlled only the rich.

July's lunch meeting will be at AL's Steak House on the 24th at 11:30. Hope to see you all there. And now for the birthday people of July, all of us wish the best birthday wishes to you, so HAPPY BIRTHDAY to, Jim Fite, Gary Granger, Frank Kruse, Frank Wegler, Larry Yarno, John Lahey, Dan Schneeman, Brian Fischer, Big Jim Mallaney, Mike Colbert, and our very own Kevin Prince. Happy Birthday to you all.

And now until the 24th. I leave you with these few words "on the road called life" you have to take the good with the bad, smile with the sad, love what you got, and remember what you had. Always forgive, but never forget, learn from your mistakes, but never forget. People change. Things go wrong. But just remember the ride goes on.

Yours Truly

Alfie Rodriguez
